"Say, gal, I ain't gwine to have no foolishness bout dat chile, if yer ain't got no husband it's yourn any how, I specks it mus' be a and a postage stamp in reply to conts and a postage stamp in reply to any how, I specks it mus' be a and a postage stamp in reply to any how, I specks it mus' be a and a postage stamp in reply to conts and a postage stamp in reply to any how, I specks it mus' be a chile, if yer ain't got no husband it's yourn any how, I specks it mus' be a chile of promise, ain't if!" The ann who comes to the depot two minutes behind time, and sees the coconnuts.

In Maine they blow out the countries in will find this kind of from the proverb "letter late than impression," and got for her answer, "culled" ladies were as good friends as ever.—[Louisville Evening News.]

The following very touching scere A quiet wedding occurred in this recently occurred in a court of justice village within two months, at, which were no guests, a mother to the bride unmarried men, it was deemed necessary to export such women as could for theft. She appeared at the bar ny besides the officiating clergyman, be prevailed on to quit England, as It looks very nice to the young man There are other ministers of love ed for theft. She appeared at the bar my besides the officiating clergyman, be prevailed on to quit rangiand, as thorns, to be an edutor. Many a the heart's warm requitats more joywith her baby of eleven months on who came from another village. In her arm. She went to get some work 1862, a young gentleman, resident of companying the shipment of these family homestead for the privilege of one day, and stole three gold coins of this county, who was betrothed to the matrimonial exiles, dated London, presiding over the editorial columns dissolubly connected with that of his one day, and stole three gold coins of this county, who was betrothed to the ten francs each. The money was lady, enlisted in the Union army. His missed soon after she left her employer, and a servant was sent to her to him, and with a breaking heart bade claim it. The servant found her limit adieu and quietly buried herself and for female virtue. It was as followed by the editorial columns dissolubly connected with that of his for a newspaper. But he little knows the toils and vexations of such a position. It is doubtful if there is any place in the world in which the charm their place in the mighty sway which claim it. The servant found her about to quit the room with the three gold coins in her hand. She said to the servant, "I was going to take them back to you."

Nevertheless, she was ta'ten to the Nevertheless, she was taken to the commissioner of police, and he ordered her to be sent before the police court for trial. She was too poor to engage a lawyer, and when asked by the judge for an explanation, she answered:

— the distributions. In case they it is the duty of the journalist to pended annot be presently married, we describe cannot be presently married, we describe cannot be presently married, we describe that they may be put with several hides many a deformity and to dissent its rotteness. Any other man which is proof against the young lawyer, and when asked by the judge all that could be learned was that after the beautiful covering that householders that have wives, till the duty of the journalist to pended which her song does not make him forget or a gloom which is proof against the young brightness of her smile. She is the terrible battle he was missing.

There are nearly fifty more that are "The day I went to my employer's His stricken sweetheart never entirely shortly to come, and are sent by our offend his senses or shock his sense.
